U.S. EXPORT SALES

- Outstanding Export Sales
(Unshipped Balances)
On April 11, 1976
- Export shipments in
Current Marketing Year
- Daily Sales reported
April 12 - 20, 1976

-- As Reported by Exporters

Outstanding export sales as reported by private exporters and compiled with other data in this release give a snapshot view of the current contracting scene. At any given time in the course of a marketing year outstanding sales do not bear a consistent relationship to eventual export shipments. A meaningful export projection is not obtainable by the simple device of adding outstanding sales to exports to date. The latter data, alone, may provide a more reliable measure of current export activity than may be derived from a year-to-year comparison of outstanding sales.

EXPORT SALES REPORT

Comments on release of April 22, 1976 (based on reports from exporters during the week ending April 11, unless otherwise noted):

Wheat: The apparent export commitment (cumulative exports plus outstanding sales) for 1975/76 advanced by 206,000 metric tons (MT), bringing the total commitment for the year to 29.9 million MT compared with 29.1 million MT for the comparable period last year. Commitments to Egypt rose by 115,400 MT, accounting for over one-half of this week's increase. Total commitments to Egypt, a large PL-480 recipient this year, now stand at 889,200 MT for wheat and 195,800 MT for wheat products. Commitments to unknown destinations increased by 50,700 MT. These increases were somewhat offset by a decline in commitments to East Germany of 35,000 MT. In the last three weeks, total commitments to East Germany have fallen from 1.2 million MT to 891,800 MT.

Outstanding sales of wheat for shipment during the year beginning July 1, 1976, increased by 52,100 MT, bringing the total to 2.1 million MT compared with 3.2 million MT for the corresponding period a year ago. New sales to Egypt of 75,000 MT and other destinations were somewhat offset by a decline in outstanding sales to unknown destinations of 40,600 MT.

Feedgrains: The apparent export commitment of feedgrains for 1975/76 rose by 587,000 MT, bringing the total for the year to 35.7 million MT. Corn commitments advanced by 580,400 MT, of which 91,600 MT were increased commitments to the USSR (reflecting transfers from optional origin rather than new purchases by USSR authorities). New sales were responsible for increases in corn commitments to Greece, 230,000 MT; Spain, 45,400 MT; and Czechoslovakia, 60,000 MT. This week's increased commitments to Greece and Spain have pushed total commitments to those destinations to 608,000 MT and 1.7 million MT, respectively. The new sales to Czechoslovakia represent the first increase in commitments to that country since the week ending February 8, 1976. Commitments to Japan increased by 64,700 MT, totaling 4.6 million MT for the year compared with 5.9 million MT for the comparable period last year. These increases in commitments were somewhat offset by a decline in commitments to Poland of 30,500 MT.

Outstanding sales of corn for 1976/77 shipment increased by 275,100 MT, bringing total sales to date to 1.6 million MT, 300,000 MT below sales for 1975/76 shipment at this time a year ago. Sales to Japan, the European Community (EC), and unknown destinations accounted for almost 90 percent of this week's increases.

Soybeans: The apparent export commitment for 1975/76 increased by 220,100 MT, primarily reflecting increased commitments to the EC, the USSR, Japan, Romania, and Spain. Commitments to Poland and unknown destinations decreased by a total of 83,400 MT. Exports during the week

totalled 431,000 MT, primarily to the EC, 182,400 MT; Japan, 64,900 MT; Spain, 52,900 MT; Romania, 42,600 MT; USSR, 37,600 MT; Taiwan, 29,300 MT; and Portugal, 14,500 MT.

Soybean Oilcake and Meal: The apparent export commitment for 1975/76 increased by 61,500 MT, primarily reflecting increased commitments to West Germany, East Germany, and Spain. Commitments to unknown destinations decreased by 37,600 MT. Exports during the week totaled 64,500 MT, primarily to West Germany, 26,900 MT; and Spain, 14,900 MT.

Cotton: World cotton demand remained at a low level as U.S. Upland cotton export sales increased by 35,000 running bales (RB) for the current marketing year and 20,000 RB for 1976/77 shipment. American-Pima sales were 200 bales, all to West Germany. Prices continued stable as weak demand was matched by a tight supply situation. Japan, the Republic of Korea, the Philippines, and Thailand were the largest buyers during the week.
